

SUCCESS

FOR EVERY

STUDENT

YMCA BEFORE & AFTER SCHOOL

The Y makes the most of your child’s before and after school time by offering active learning opportunities designed to engage and expand their growing minds. Housed at your child’s school, our program gives your child the opportunity to engage in active play and collaborate on fun projects. Our programs support academic achievement, fosters health and wellness, instills positive social emotional learning and creates opportunities for youth and families to belong and connect. A safe place for them. Peace of mind for you.

Program Highlights:

- Qualified and caring staff team members.
- Program available on all early dismissal days.
- Academic support/homework assistance.
- Educational and recreational enrichment.

You may qualify for

FREE

YMCA Before & After School programs through

Register for the 2024-2025 school year!

Beginning April 1 for current participants & May 1 for new participants.

Here for You!

- High quality & well trained YMCA staff team members who are trained in Youth Development and certified in CPR & First Aid.
- Conveniently and safely located on your child's school campus.
- After school activities include STEAM, Career-Connected Learning, Arts, Literacy, Educational Enrichment, Diversity & Global Learning, Physical Activities, Sports, Games and more!
- Financial assistance is available for all qualifying families. We proudly accept CCRC, Crystal Stairs, Connections for Children, MAOF, DCFS, Children's Home Society & Child Care Aware at most program locations.

Program Philosophy and Core Values

YMCA Before & After School programs strive to provide a safe, secure and supportive environment that gives families peace of mind when you cannot be there yourself.

- We believe that a child's experience is dependent on family life and community life; YMCA programs strive to support the entire family with a variety of programming and character based curriculum.
- We believe in focusing on your child's abilities rather than their shortcomings.
- We believe that when youth are exposed to consistent displays of positive character traits, they will develop a healthy self-esteem and a willingness to help others.
- We believe that by supporting your local school, your child will experience success. Our programs offer a holistic approach to your child's development by offering activities that strengthen, expand and provide real life context to information learned in the classroom.
- We believe that building strong kids and strong families will strengthen the foundation of our communities.

Enrichment & Curriculum

SCALED Learning™, the Y's holistic before and after-school curriculum, presents kids with new challenges as they reach each stage of their development. SCALED Learning™ helps kids grow in the classroom and out in the world through engaging in STEM, hands-on arts, literacy, career-connected learning, diversity and global education, social development, and fun! Kids who participate in the Y's before and after school programs expand the school day through active play with classmates and curriculum that augments what they're learning in school. Discovering the world is fun and safe with the experts on helping kids grow and learn in spirit, mind, and body.

SCALED LEARNING™

STEM (S): STEM projects engage kids in science, technology, engineering or math to practice academic skills, critically think and promote investigation, inquiry, and discovery.

Career-Connected Learning (C): Kids explore career paths through integrated lesson plans and get to know real professionals in industries like engineering, medicine, business, and education through classroom visits.

Arts (A): Kids engage in hands-on art projects which grow in complexity as they get older. They will explore a variety of art techniques and media as they discover ways to creatively express themselves.

Literacy (L): Literacy activities engage kids in reading aloud and discussion, creative writing, Reader's Theater, and word games to practice academic skills and promote expression.

School Year Monthly Rates (TK-8th Grade)* for Before & After School Licensed Programs

Licensed Before & After School Site Locations:

Beckford (#191200080), Calahan (#197408456), Castlebay (#191200086), Darby (#197419540), Dearborn (#197409616), El Oro Way (#197417489), Germain (#191221714), Harding (#197401223), Haskell (#191223290), Porter Ranch Community School (#197418587), Superior (#192006429), Topeka (#197495037), Van Gogh (#197404234).
