Dear Parents/Guardians:

LAUSD Annual Earthquake Shake Out Drill Practice Day will be on Thursday, October 19th at 9:00 AM. Our campus will practice earthquake drill with all our staff and students on this day. During an earthquake drill, students and staff will practice dropping, covering, and holding on until the shaking stops. Once the shaking has stopped, teachers will check for injured students in their classroom, and evacuate everyone to the athletic field. Evacuation is necessary following an earthquake because of possible damage to the buildings and aftershocks. Each teacher has a designated area on the field for their students, and all students will be accounted for.

Teams of school staff members conduct search and rescue, emergency first aid, and other disaster operations following an earthquake. Practice request and reunion gate stations are set up at each school site to allow parents to take students home. Request Gate will be at the Middle School gate and the Reunion Gate will be at the Bike Gate/2nd Grade Dismissal Gate in the parking lot near the field. Please see the Shake Out Drill Map on p. 6.

If there has been earthquake damage to our school, students will not be allowed to re-enter the buildings until they have been thoroughly inspected by the Office of Environmental Health and Safety.

We conduct these drills to keep our students safe and to always know what to do in the case of an emergency.

Sincerely,

Avak Demirjie

October 9, 2023

Dear Parents:

For Halloween Activities, we have created the following guidelines to allow students to participate in enjoyable, positive, and controlled activities, while maintaining student safety:

- Elementary Students will only wear their costumes during the parade.
- Middle School Students may wear costumes during the school day and to the after-school Halloween Dance.
- The single largest criterion is that costumes may not be demeaning to any person or group based on ethnicity, race, religion, nationality, disability, gender, gender identity (boys as girls and vice versa)
- Costumes must be school appropriate and may not cause a significant disruption or distraction to the school program, i.e. no revealing costumes (low cut, French maids, nightwear, bathing suits, etc.).
- No weapons, or even replica weapons, are to be brought to school.
- No costumes are allowed that completely hide the identity of the student, i.e. masks, gorilla suit, "Scream" character, etc.

Elementary – There will be a Costume Parade on the big yard around the track beginning at 8:45am. Students participating in the parade will need to wear their costumes to school and then change before going to class. If students do not want to participate or cannot participate for religious or personal reasons they may go to the library and stay with Dr. Varko. Parents will be invited to stand on the outside of the parade circle and cheer on the students! PLEASE DO NOT PARK IN THE CARLINE OR THE STAFF LOT. STREET PARKING ONLY. Parking restrictions have been lifted for the day on Mason Ave. and Sesnon Blvd. Colored curbed zones, no blocking emergency access (alleyways, fire hydrants, etc.) are still in effect. Be mindful of allowing time to park and walk safety.

Middle School – There will be an after-school Halloween Dance for 6th thru 8th grade students on Friday, October 27th at 3:30 pm to 4:30 pm in the MPR. The dance is an optional after-school activity for Middle School students are not required to attend. Middle School Faculty will be chaperoning the dance. Tickets for the dance will be sold during nutrition, lunch and after school. Tickets of \$5.00 cash only for the dance will include a slice of pizza, snack and bottled water. Tickets Students must be "on par" on the 10-week progress report to attend the Halloween dance. "On par" is having no fails and no more than 2 U's in Work Habits and/or 2 U's in Cooperation. Ticket sales information will be announced soon.

**PSAT 8/9 WAIVER for 8th GRADE
 STUDENTS ONLY**

Dear Parent(s)/Guardian(s),

As part of our college and career readiness efforts at Porter Ranch Community School, we strive to set all students up for success. That’s why we’re offering the PSAT 8/9, the first test in the SAT Suite of Assessments, to our 8th grade students. Results from this assessment help us establish a baseline for each student as they start their high school journey. The results help us focus classroom instruction and support your child’s growth.

Taking the PSAT 8/9 can also help your child to:

- Know where they are and where they want to go in their academics.
- Find out what AP courses they’re ready to take.
- Explore college and career options.

This fall, the PSAT 8/9 will be administered in a new digital format that will provide an overall easier testing experience for students. Your child will take the PSAT 8/9 using their own school-issued Chromebook device and scores will be released in mid-November.

Porter Ranch Community School’s PSAT 8/9 School Day administration, which is at no cost to students in the Class of 2028 and 2027, is scheduled on **Wednesday, October 25, 2023 at 8:40AM during Periods 1-4. Students must arrive on time. Late students will not be accepted into the testing room.**

Sincerely,
 Avak Demirjie

However, you as a parent have the right to request that your teen not participate in this test administration by completing the waiver form below and submitting it to the Main Office ATTN: PSAT 8/9 School Day Coordinator, Shireen Milliken by Friday, October 13, 2023.

REFLECTIONS ART PROGRAM

DEADLINE FOR ENTRIES: NOVEMBER 2, 2023

"I AM HOPEFUL, BECAUSE..."

That's the theme for the 2023-24 Reflections Art Program, which has been bringing the arts to life for more than 10 million students since 1969. California State PTA and its members, families and kids are on the forefront of this amazing program, which increases community awareness of the importance of arts in education.

BENEFITS

REFLECTIONS ENCOURAGES STUDENTS TO:

- Unleash creative talents and be inspired
- Express themselves imaginatively in their artwork
- Experience the fun and joy of making art
- Tap into critical thinking skills to create art inspired by the annual theme
- Receive positive recognition for their original works of art.

PROCESS & WINNERS

Artworks are submitted first to school-level PTAs, where they are first recognized, celebrated, and judged by five grade-level divisions, while a non-judged Special Artists division celebrates student artists with special needs. School PTAs then choose a selection of entries to be judged by local PTA units, which are then sent on to councils and then **districts** for consideration. The final artworks submitted to **California State PTA** by districts are then considered for Outstanding Interpretation, Awards of Excellence, or Awards of Merit. Outstanding Interpretation and Award of Excellence entries then go on to **represent California in the final National PTA** judging round.

CATEGORIES

All students are invited to participate and submit original artwork in one of six areas:

- Dance Choreography
- Literature
- Photography
- Film Production
- Music Composition
- Visual Arts
