# REFLECTIONS ART PROGRAM

DEADLINE FOR ENTRIES: NOVEMBER 9, 2023

## "I AM HOPEFUL, BECAUSE..."

That's the theme for the 2023-24 Reflections Art Program, which has been bringing the arts to life for more than 10 million students since 1969. California State PTA and its members, families and kids are on the forefront of this amazing program, which increases community awareness of the importance of arts in education.

## BENEFITS

### REFLECTIONS ENCOURAGES STUDENTS TO:

- Unleash creative talents and be inspired
- Express themselves imaginatively in their artwork
- Experience the fun and joy of making art
- Tap into critical thinking skills to create art inspired by the annual theme
- Receive positive recognition for their original works of art.

## PROCESS & WINNERS

Artworks are submitted first to school-level PTAs, where they are first recognized, celebrated, and judged by five grade-level divisions, while a non-judged Special Artists division celebrates student artists with special needs. School PTAs then choose a selection of entries to be judged by local PTA units, which are then sent on to councils and then **districts** for consideration. The final artworks submitted to **California State PTA** by districts are then considered for Outstanding Interpretation, Awards of Excellence, or Awards of Merit. Outstanding Interpretation and Award of Excellence entries then go on to **represent California in the final National PTA** judging round.

## CATEGORIES

All students are invited to participate and submit original artwork in one of six areas:

- Dance Choreography
- Literature
- Photography
- Film Production
- Music Composition
- Visual Arts
