A message from our Social Emotional Counselor, Mrs. Mehrabian:

Hello PRCS Parents!

My name is Michelle Mehrabian and I am so excited to have returned to your school to serve as a social-emotional counselor for another wonderful school year!

Join me as PRCS promotes a school-wide Anti-Bullying Campaign for the month of October!

Please view the links below and watch these two very short 3- and 2-minute videos that explain the 'Anti-Bullying' Campaign from a student's perspective and also share how YOU and your children can participate.

1. <https://www.pacer.org/bullying/nbpm/unity-day.asp#tab-dance> (scroll down to click on video)
2. [Show Your Support - National Bullying Prevention Center \(pacer.org\)](#)

You can also promote anti-bullying on Social Media by using the images at this link:

<https://www.pacer.org/bullying/nbpm/socialmediaassets/social-media-assets.asp>

PRC PTA will team up with me to set up a table with different activities available for students and staff to participate in during Recess, Nutrition, and Lunch on Unity Day. PRCS will be promoting this campaign throughout the month of October. 😊

- Parents can encourage your students to participate by having them wear **ORANGE** on UNITY DAY: Elementary wear **ORANGE** on Wednesday, October 18th and Middle School wear **ORANGE** on Thursday, October 19th.
 - If they don't have an orange shirt, then you can order a special shirt here – there are youth and adult sizes available. Unity Day T-shirts:
<https://www.pacer.org/bullying/shop/unityday-shirt.asp>

PRCS will also be having a school-wide assembly by PRISMATIC LASER SHOW sponsored by PRC PTA to remind students that positive character counts and that everyone can do the right thing by promoting kindness, acceptance, and inclusion.

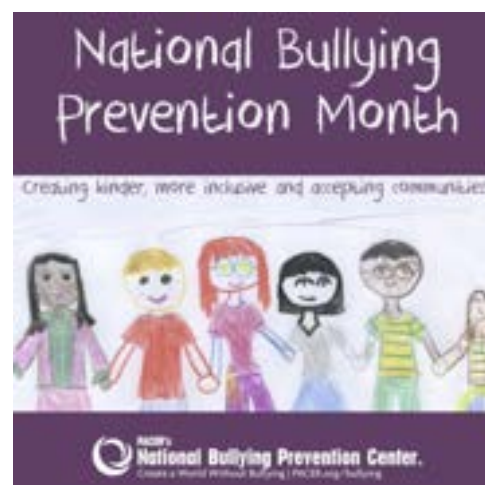

Thank you in advance for your support and participation!!!

Sincerely,

Michelle Mehrabian

October is National Bullying Prevention Month

Sponsored by PACER's National Bullying Prevention Center® since 2006

More than 1 out of every 5 students report being bullied.

National Bullying Prevention Month (NBPM) is a campaign founded in 2006 by PACER's National Bullying Prevention Center. The campaign is held during the month of October and connects communities around the world to help prevent bullying. This past year, a worldwide pandemic and a growing movement for racial equity and social justice have highlighted the need to unite communities for a better future. It is more important than ever to join together in creating a world that is kinder, more accepting, and more inclusive.

**Take action at school, at home, in your neighborhood,
at a local business, or in your workplace to show that you care about kids
being safe at school, online, and in the community.**

Do you want to get involved? Here's how!

PRISMATIC LASER SHOW

October 27, 2023

Using rocking music and dancing animations to keep them laser-focused, this show teaches kids about the signs of bullying. Whether encountered online or in person, the show provide strategies to treat this social problem safely and effectively. Their educational performers use humor to reinforce the significance of teamwork and of considering other people's perspectives. Our school assembly reminds students that positive character counts and that everyone can do the right thing by contributing to bullying prevention efforts.

The mission of the PRCS middle school house system is to create a middle school community where students work together to support each other as they grow academically throughout the middle school years. The purpose of each house is to provide guidance and support for academic, social, and personal development during each student's time at PRCS.

Each house is comprised of a variety of students from 6th, 7th and 8th grade. The mixed level houses provide the opportunity for the students in the different grade levels to create new friendships, experience leadership opportunities, gain intrinsic motivation through perseverance, and how to work as a team. The house system instills teamwork, friendship, cooperation and leadership. Once students have been assigned to a house they will remain there until the end of their middle school experience at PRCS. Houses cannot be changed. New students will be sorted upon their arrival to PRCS. In order to participate in House Events, students must be on PAR. Students may not have any Fails, no more than 2 U's in work habits, no more than 2 U's in cooperation and demonstrate satisfactory school citizenship.

If you have any questions or concerns please contact Ms. Gittins or Ms. Diaz (818) 709-7100.
