

TK-7th Intent to Return to PRCS for 2024-2025

Dear Current PRCS TK - 7th Grade Families,

During the spring session of each school year, Porter Ranch Community School begins to make enrollment projections for the coming year. It is critically important for us to determine how many students will be coming back to PRCS for next year.

We ask that every family complete our Intent to Return Form declaring your family's intentions for the coming school year. If you have multiple students attending PRCS, we ask that you complete this form individually for each student.

Please fill out the [Google Form](#) or Scan QR Code no later than Friday, March 22, 2024.

All the best,
Principal Avak Demirjie
