Principal Message

Dear PRCS families, as we round out September and head into October I am reflecting on how much we have already accomplished with the students. Our students are being challenged to think and learn at high levels. This week we will empower them to be responsible citizens in the age of technology as we move through THINK week. The PTA, parents and staff have put together wonderful opportunities to build capacity in our students as well as for those parents who join us Wednesday evening for our talk on Social Media Safety PARENT Workshop. I am looking forward to our first Middle School House day Friday as well as our next time together at Coffee with the Principal Friday.

Go Coyotes!
