- Principal update-
  - Acceleration day is coming up next Monday
  - We are sending the letters home to go to students who said yes, we are inviting them to go to acceleration day school. For middle school it will be Noble, and for elementary it will be Beckford. There are 184 students in total potentially attending.
  - 12/5 when registration was supposed to close, but they can still sign up for it, acceleration sign up is still open, we are not turning anyone away.
  - We have a few teachers working acceleration day in both elementary and middle, principal is going to Cleveland
  - The first Tuesday we come back the artist will start working on the mural in the kinder yard
  - We still do not know when we will receive the water bottle filler stations, we are waiting on date
  - Our phones are going to be changed but we still do not have a date. this month. As far as phone reception, principal is working with ATT to set up booster antennas for employees to receive signal. The problem with that is that LAUSD has a firewall that does not allow the antennas to work.
  - Holiday shows – one day is down, 4 more to go. Wednesday and Thursday, 4 more shows. 9 am and 11 am. Thursday at 11 am will probably be packed. So far, we had just enough seats, we did not have to turn anyone away. Hopefully we will have the same situation further this week. Parents are following directions to only bring two guests except for a few. PTA is selling donuts and coffee outside the school.
  - Middle school has a minimum day this FRIDAY 12/16
  - School back in session Monday 1/9/23. After that week we have a 3-day weekend for MLK.
- There are no public comments today.

- Cutler – second that.
