What to Know about Student Vaccinations at Los Angeles Unified

The science is clear – vaccinations are a safe, effective and essential part of protection against COVID-19. **The benefits of the vaccine continue to outweigh the risks and the Centers for Disease Control and Prevention (CDC) recommends that everyone 12 and older get vaccinated.**

Did You Know?

The number of hospitalized youth increased 4x in states with low vaccination rates in late summer.

The highly contagious Delta variant is increasing youth hospitalization and spreading rapidly in unvaccinated groups.

The CDC recorded that **12.1 million** US children under 18 have at least one dose of the vaccine.

How do I get my child vaccinated?
See back of flyer...

How to Get Your Child Vaccinated at Los Angeles Unified

My child has been vaccinated, but I have not submitted proof of vaccination to Los Angeles Unified:

1. Take a photo of the vaccine card that you received the day your child was vaccinated.
2. Log onto the Daily Pass to submit a photo of your eligible child's vaccine card. For help, review our step-by-step guide here: bit.ly/DPUploadExtVacc1Pager.
3. Upload image and press submit. Please note, approval for this process can take up to a week.

My child has not been vaccinated:

1. Visit the District's COVID-19 Vaccine Appointment Page (achieve.lausd.net/covidvaccineappt) to review the student vaccination initiative and learn how to prepare for your student's vaccine.
2. Book a vaccination appointment.

Option 1: Take advantage of our mobile clinics visiting your child's school! Schedule an appointment in Daily Pass. A step-by-step guide is here: bit.ly/DPBookVaccAppt1Pager. Walk-ins are also welcome!

Option 2: Find a clinic near you! Hours, locations, and instructions for appointments through trusted health partners (bit.ly/LAUnifiedClinicPartners) or LA County Sites (bit.ly/LACountyVaxSites). After your child is vaccinated at one of these sites, make sure to follow steps 1-3 above to upload proof onto the Daily Pass.

For Children with Qualified Medical Exemptions or Conditional Admissions:

Los Angeles Unified families can submit qualified medical exemptions. Please note that similar to other childhood vaccines, there are no personal or religious belief exemptions. Families can obtain a copy of the exemption letter from their school site at any time and can complete and upload the form for District review onto the Daily Pass starting October 20.

Children in foster care, experiencing homelessness, migrants, in a military family or who have an IEP may qualify for conditional admissions.

Together, we can help keep our school communities healthy by getting vaccinated.

What is the Parent Portal and how can I access it?

The [Parent Portal](#) is a website where families may access their child's information and also access resources. The site includes direct link to Schoology and the Daily Pass. Also included in the site is your child's attendance, access to grades and assignments, and access to update emergency contact information to name a few. To open an account visit <https://achieve.lausd.net/Page/10470>. The webpage includes information about the Parent Portal and resources to help you practice its use. Make sure to click on the "Log In/Register" button which will take you to the official log in page. If you do not have an account click on "Register for an account." The page will ask for your name and email. Once you register an email will be sent to you where you will be asked to establish a password. This account is solely for your use. Your spouse/partner must open their own account to access student information.

Where can I access my Parent Portal PIN?

Parents may access their Parent Portal PIN by contacting their school site and come to the main office or email Mrs. Endler at jennifer.endler@lausd.net to request a Zoom Appointment to verify a valid ID. Monday thru Friday 9:00 AM – 1:30 PM. For returning students pin codes are printed on their child's School Report Card.
