Principal Message

Dear PRCS families. First a big thank you to our ASB team of students and Mr. Mustard who worked with are hard-working parents at our recent school tours. We have had a few people share concerns regarding our campus not being it's usual spotless grounds. We are working hard to address that. In the meantime please keep in mind that we are down two custodial members during the day. I am grateful to our plant manager Anthony for his hard work and I'd like to ask parents to remind your children that we need their assistance in cleaning up after themselves too. Anthony asked me to remind you that spring is coming and that can mean bees, so please consider what you are packing in the students' lunches so as not to attract them. Finally, it looks like we will need to move forward on recruiting a lead team of carpool volunteers. I am so grateful for all of the hard work and diligence that our former team put into the school keeping our students safe. Please look for an email link to submit your name and willingness to be trained by our school police and regularly serve on the carpool valet. This does not mean each and every day. I look forward to a big response. If this does not happen, we will be in a position to close the carpool loop. I have to also add a big shout out to the parents in Ms. Lee's kindergarten class who did an amazing job serving in the valet this past week. Go Coyotes!

Principal Saunders

Parents:

Please fill out the linked form to express interest in serving on our carpool valet. Mr. Guidry will follow up with you.
