## ***Principal's Message:***

Dear Porter Ranch Families,

Congratulations on another week of hard work. We hope that you are healthy and safe. We know that families are going through various degrees of hardships through this. Please reach out to us if your family needs support. We also list resources on our website under the orange button. This week we will send out a schedule for a curbside grab and go exchange of materials between the school materials that you have at home and the student's materials we have at school. We are also close to announcing how our culminations will look as we celebrate our culminating students. The superintendent has shared that the event can only be virtual. We will work hard to make it special for the students. Enjoy your week and remember that we are off the following Monday for Memorial Day.

Go Coyotes!
