

The PRCS middle school phone policy is as follows:

Students' phones must be turned OFF for the entirety of the academic day. Students may have their cell phones on before and after school. If a teacher gives a student(s) permission to use their phone *for academic purposes only*, the student is responsible for turning their phone back off. When a student is caught with their phone on during school hours, the following continuum goes into effect:

Violation 1-students phone remains in the office until the end of the day.

Violation 2-students phone remains in the office until the end of the day and parent is notified.

Violation 3-students must drop off their phone to the office EVERY day until the end of the semester.
