4. Welcome by Mr. Demirjie.

Mr. Demirjie presented the possible new LA county and LAUSD guidelines

1. Possible changes with our Covid procedures
2. Students would only be tested the first week of school and it would be the schools responsibility
3. Only weekly testing for unvaccinated students ages 12 or under or who have a medical exemption
4. Current Covid measures are if you are within 6 feet of someone and 15 minutes student goes home has close contact.
5. Modified quarantine measures
 - no one will be going home
 - students will be on monitored for 10 days for any symptoms
 - students will stay in school
6. Possibly if 85% of the school is vaccinated students will not have to be wearing a mask outside
7. Mr. Demirjie is still looking into if it will be for the whole school since we are a span school
8. Regarding span school more data will be forthcoming
9. School site vaccines are now offered at school sites around LAUSD
10. Students 12 and above are we required to be vaccinated unless students have a medical exemption, religious exemptions do not apply
11. COVID-19 vaccines are now being offered to students from ages 5 to 11 years old they are not required currently four the students ranging in age from 5 to 11
12. Betty Chen had a question.
If the student symptoms become relevant on day five when does the 10 day period end?
Mr. Demirjie said He did not have the answer and said the answers will be forthcoming from the state, county and LAUSD.
