## Principal's Message:

Greetings Porter Ranch families,

As we round the bend of this year I want to first congratulate and acknowledge of the hard work put in by our teachers, our office staff, our aides, our assistant principals, building and grounds, itinerant teachers and by parents, all who have made this an incredibly successful year, in which our students have matured and learned at the highest levels. Now congratulations to our students who have put time into treating others with empathy, have persevered through obstacles and you have grown as thinkers. You should feel very good about your achievements. I care very much about you. Finish strong and then have some fun this summer.

Go Coyotes!
