COVID Mobile Unit Schedule

Tuesday, 1/18 – Middle School
Wednesday, 1/19 – Elementary

School will be closed on Monday, January 17th in observance of Martin Luther King Jr. Day

Principal Demirjic's Message:

Good Evening PRCS Families. This is Principal Avak Demirjic with few announcements.

This past week, we have been diligently working hard to keep our staff and students safe by identifying all the positive cases, close contact and continued COVID Testing.

Just a reminder, we do not have school on Monday, January 17th in observance of Martin Luther King, Jr. In-person instruction will resume on Tuesday, January 18th with a normal early day schedule.

Please read the following UPDTAED guidelines for our COVID-19 management procedures.

Positive Cases

All students who test positive for COVID-19 must isolate at home for at least 5 days. Individuals who test positive may be released from isolation on Day 6, provided all symptoms are improving, they are fever-free for the past 24 hours without fever-reducing medication, and they have a negative (antigen) test result from a test taken on or after Day 5. Individuals should test with an antigen test on or after Day 5, as PCR tests can stay positive even after an individual is no longer infectious. If an individual does not test on or after Day 5, or if the test result taken on or after Day 5 is still positive, the individual should continue to isolate at home for the full 10 days.

In order to return to campus from a positive case, a student must:

- Isolate for a full 10 days
- To shorten the isolation period:
 - Antigen/home test on Day 5
 - If negative on Day 5– upload picture of test to Daily Pass for approval (include name, date of birth and date of test)
 - Call Community Engagement 213-725-5637
 - If positive on Day 5– stay home for another 5 days to complete the 10-day quarantine cycle

.....Continues on p. 2

As a school, we cannot clear positive cases. Families must go through Community Engagement to close or resolve the positive case. To clear a positive case, an antigen (home test) must be administered. **ANTIGEN TESTS MUST BE UPLOADED TO THE DAILY PASS AND MUST BE CLEARED BY COMMUNITY ENGAGEMENT BEFORE THE STUDENT CAN RETURN TO CAMPUS.** Please contact Community Engagement at 213-725-5637. For information on how to upload an external test result, please visit achieve.lausd.net/dailypass.

To pick up an antigen test for Day 5 for students who test positive, visit a dedicated LAUSD "Isolation Testing Site for Return to School/Work," or use an at-home antigen test. These sites can be found at <https://achieve.lausd.net/covidtestingappt>. Rapid tests will only be distributed to students with a recent positive test result; exposed household members of positive students may make an appointment at a regular LAUSD testing site if they wish to test. Appointments are not required to pick up a test. Antigen test results must be uploaded into the Daily Pass.

Modified Quarantine for TK-12 Students and Non-Boosted Employees ("Test to Stay")

Modified quarantine allows asymptomatic TK-12 students who were exposed to a person with diagnosed COVID-19 in any school setting where students are supervised by school staff (indoors, outdoors, or on a school buses) to continue in-person academic activities that are part of the regular school curriculum and provided during school hours.

Modified Quarantine

- Individuals participating in modified quarantine are permitted to remain at school for the duration of the modified quarantine period. Individuals must be tested once per week for the duration of the quarantine period ("Test to Stay"). Tests can be either a rapid antigen test or a PCR test. The test should ideally be on or around Day 5, so that the student can be released from quarantine on Day 6 if they test negative. **If day 5 falls on a weekend, testing will be completed the following week. LAUSD is responsible for testing your child on our campus.**
- Individuals participating in modified quarantine will not be required to quarantine at home. They will continue attending school. However, students in modified quarantine are not permitted to participate in extracurricular activities, including sports, clubs, Beyond the Bell, and other before and after school care or programming such as JAXX and YMCA. Please monitor for symptoms. Individuals must wear a surgical grade mask while on campus until testing negative after the 5th day.

Exemptions from Quarantine

The following individuals are not required to quarantine, provided they are asymptomatic:

- Fully vaccinated employees who are eligible for and have received a booster;
- Fully vaccinated employees who are not yet eligible for a booster;
- Fully vaccinated students (with or without a booster);
- Students and employees who have recovered from laboratory-confirmed COVID- 19 within the last 90 days (exempt from quarantine and testing).

Stay safe everyone!

CALIFORNIA YMCA YOUTH & GOVERNMENT 20TH MODEL UNITED NATIONS

WHAT IS MODEL UNITED NATIONS?

★ California YMCA Youth & Government's Model United Nations program is an amazing opportunity for students in 6th, 7th, & 8th grade to learn about the United Nations and the international community we are apart of.

HOW DOES IT WORK?

★ Participants will be given the chance to take on the roles of United Nations Ambassadors, Presiding Officers, and Committee Chairs. Students will meet weekly in their community where they'll make friends, develop research skills, and learn about countries and cultures around the world.

WHAT WILL I GAIN?

★ Participants will get to participate in statewide conferences where they'll receive training in areas such as public speaking, decision making, cultural competency, and how to have compassion for people with views other than their own. Every step of the way we take the time to ensure that everything we do is infused with our YMCA core values of Caring, Honesty, Respect, & Responsibility. MUN looks great for High School Admissions and scholarships!

COVID SAFETY: Please have a conversation with your child/ren about the safety of wearing a mask properly. Students may remove their mask during nutrition and lunch while at the table to eat or drink. Mask must be worn properly for the remainder of the school day, including during recess, lunch and physical activities and PE for middle school.

Covid-19 Testing will continue with the LAUSD Mobile Unit on campus weekly on Mondays and Tuesdays. If you would like to have your child Covid-19 tested on campus, students will need a Covid-19 Testing Consent. Parents can give consent on the Dailypass ([see instruction](#)) or to print, [Click HERE for Consent Form](#). Once the Covid-19 test consent is given, the school site is responsible for testing students. If you are having your child/ren tested at an outside testing agency, test results must be uploaded to dailypass.lausd.net weekly to keep Dailypass current to be on campus. This week, LAUSD Testing Unit will not be on campus. If you would like to test your child for COVID, Northridge Middle School and West Valley Occupational Center will be open on Tuesday, September 7th, from 9 am to 7 pm. On campus testing will resume September 13th and 14th.

The COVID-19 School Report Card dashboard provides daily updates on the reopening status and COVID-19 testing results for the staff and students participating in-person instruction on our campus. All personal names and information will remain confidential. Please go to <https://achieve.lausd.net/covidreportcard> for the most current COVID-19 cases.

What is the Parent Portal and how can I access it?

The [Parent Portal](#) is a website where families may access their child's information and also access resources. The site includes direct link to Schoology and the Daily Pass. Also included in the site is your child's attendance, access to grades and assignments, and access to update emergency contact information to name a few. To open an account visit <https://achieve.lausd.net/Page/10470>. The webpage includes information about the Parent Portal and resources to help you practice its use. Make sure to click on the "Log In/Register" button which will take you to the official log in page. If you do not have an account click on "Register for an account." The page will ask for your name and email. Once you register an email will be sent to you where you will be asked to establish a password. This account is solely for your use. Your spouse/partner must open their own account to access student information.

Where can I access my Parent Portal PIN?

Parents may access their Parent Portal PIN by contacting their school site and come to the main office or email Mrs. Endler at jennifer.endler@lausd.net to request a Zoom Appointment to verify a valid ID. Monday thru Friday 9:00 AM – 1:30 PM. For returning students pin codes are printed on their child's School Report Card. If the parent is unable to access the PIN they may also contact the Los Angeles Unified Family Hotline at 213-443-1300
