Dear Parent/Guardian:

Your child's intra-district permit will be renewed for the 2022-2023 school year. During the global pandemic, the school renewed all permits. However, due to space limitations, for the 2023-2024 school years and following, parents will have to apply to renew their child's intra-district permit each year. Please note that even if a timely application is received, permits may not be granted if space is not available. The notice of renewal letters for 2023-2024 will be sent to you in February. In addition, the attached document provides additional information about intra-district permits.

Should you have any questions, please feel free to contact me.

Sincerely,

Avak Demirjie
Principal
