Principal Update: dates for meetings every 2nd Monday of every month. Zoom at 4pm.

He is working with AT&T after the fatality on Mason and Sesnon and today he started working with 3 reps and he has 3 boosters sitting on his desk waiting to be installed and go around the firewall. Right now, we don't have anything. AT&T has a tower on the hill. Bella Vista is open to have a tower in their community. Hopefully we will have internet around PRCS. Waiting for district to give us Ring type system camera and doorbell - no timeframe working with booster to install cameras at all entrances and parking lot -no timeframe yet. Water filling stations are \$22K per station through district - LDNW is going to install 2 water stations at no cost to PRCS and we will pay for 3rd. Waiting for LAUSD to change all phones and allow teachers phones to call out directly from the classroom. No dates we are in line. Murals for kinder area started 5 months ago, cleared for artist to come in Sept and start mid Jan for 1 week. ES started practicing for holiday performance 2 people per family 6 shows all shows. The acceleration dates 12/19/22, 12/20/22, 4/3/23, 4/4/23 - where we don't know depends on demand. Safe School Plan – we had a good shakeout drill and Demirjje meet with every safety group to see what they needed and is ordering. According line item 43001, we have a \$37704 budget. Budget planning is in April 2023. Demirjje explained to Khukoyan as Parliamentarian to give general population 2 mins per topic - only have to listen not answer.

Called for open comment time. Nazarians asking for holiday boutique. Recommended her to go to PTA as it falls under their privy and report back to us. We did boutique many may years ago.

Meeting ended at 4:38pm
