Porter Ranch Community School's goal is to engage the whole child. It is our intention to nurture each student with what they need so that they can thrive and be successful. We understand that each student is unique and we designed our educational programs to meet their social, emotional and academic needs .

PRCS is where...

Quality education is a community commitment.

Students are measured by a higher standard.

We strive to introduce innovation in education.

A place where students can explore, inquire and discover.

At Porter Ranch Community School, our students are very fortunate to have an experienced staff of dedicated teachers who are committed to learning the latest teaching methods and standards to ensure student success for all.

We use critical thinking and collaboration as a learning process to engage our students. We know that collaboration fosters their development through discussion, clarification of ideas, and evaluation of others' ideas. Collaborative learning has been shown to not only develop higher-level thinking skills in students, but boost their confidence and self-esteem as well.

PHYSICAL EDUCATION

FITNESS FOR LIFE!

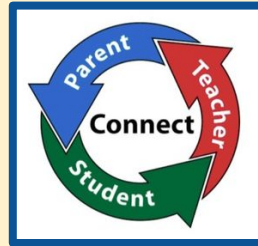

Parent Involvement

Booster Club

The purpose of Friends of Porter Ranch Community School is to supplement and enrich the education of children who attend Porter Ranch Community School (PRCS), a publicly-supported school with grades ranging from kindergarten to 8th grade, by providing classes and educational opportunities either not provided by, or underfunded by, the school district. Friends of PRCS will also provide additional supplies, equipment, and teaching assistance to PRCS.

Governance Council

The purpose of this democratic system known as Governing School Council is to make school-wide decisions based on recommendations from the English Language Advisory Committee (ELAC), Grade Level Chairs and Student Council. The responsibility of the GSC are as follows: To set the school vision and approve the annual budget. The GSC will review performance indicators to ensure we are following the state and federal guidelines and making consistent academic progress.

PRC PTA

PTA's mission is to positively impact the lives of all children and families in our community. PTA works in partnership with a wide the school and organizations to broaden and enhance our ability to serve and advocate for all children and families.

Parent volunteerism is a key to academic success for students. Parent volunteers offer a huge resource and support base for the school community.

Parent Volunteers

When schools, families, and community groups work together to support learning, children tend to do better in school. The Parent and Community Services office supports school efforts to implement effective family engagement activities that value partnerships with parents for the benefit of children's learning and achievement.
